5/2/09	Columbus	Freeman Field
5/3/09	Blue River	Freeman Field
5/9/09	Blue Blaze	Freeman Field

Travel Soccer FAQs:

What is Travel Soccer?

Travel Soccer teams play competitive games with teams from other towns in southern and central Indiana. Scores and standings are recorded (but not the U9 teams). Teams are gender specific.

How far is the travel?

Each season, Fall and Spring, there are 8 games. Four of the games are played away and four are home games played in Seymour. Travel to away games is generally an hour or so.

Do you have to "tryout" to play Travel Soccer?

Tryouts are necessary for the club to evaluate players, collect paperwork for registration and make teams. The club will attempt to place every player trying out on a team.

What kind of commitment is involved?

Players are expected to be at games and practices. Practice schedules are made by coaches, but are typically twice per week.

Once assigned to a team, the player commits to playing for Seymour Soccer for the Fall and Spring seasons and cannot move to another club during the year.
